Mr. William Rodak,

Dear Mr. Rodak:

We feel that we should advise you that we have received a petition signed by most of the residents in your neighborhood protesting against the possible granting to you of a Club liquor license for your premises at Newton Street and Framingham Road.

In view of this opposition, our Board would be against the granting of such a license, and we feel that you should know the facts before you go to the expense of incorporating as a club.

Very truly yours,

Board of Selectmen.

To the Selectmen of the Town of Southborough, Massachusetts:

We, the undersigned citizens and property owners of Southborough, Massachusetts, hereby petition the Board of Selectmen to take a **negative** action on the application of William Rodak of Newton Street, Southborough, for a Club license.

We are opposed to the granting of such a license because

- 1) There are a number of young children in the neighborhood, - ten within a radius of two hundred yards of the Rodak property. We do not like the idea of having them exposed to the hazards incident to the operation of an establishment of that nature.
- 2) Ours is a residential section, and the introduction of this type of business can not help but work to depreciate the value of our real estate.
- 3) A former occupant of the premises for which a Club license is now requested held a license to dispense beer and wine. Many folk in the neighborhood found it objectionable when habitues of the establishment created disturbances late at night. We should not like to be exposed to similar occurrences.

Dear Sir:

I wrote to you some time ago in regard to obtaining a pkg. store license, and at that time you informed me there was nothing but a club license available.

Would you be so good as to let me know if a club license is still available and the cost of the same.
